Family F.O.C.U.S Information Fair**

**Date:** February 2, 2010  
**Time:** 4:30-6:30pm  
**Where:** Fairmount Behavioral Health Systems  
561 Fairthorne Ave  
Philadelphia, Pa 19128

- ◆ Family F.O.C.U.S (Family Opportunity for Communication, Unity and Success) is a Multifamily group that assists patients and their families in helping to rebuild relationships through discussion and activity groups that prepares families for discharge. The group's concentration is solution-focused thinking. The goal for the F.O.C.U.S group is to enhance effective parent child/teen interaction styles, when, where and how to find resources, services and support systems in the community and the importance of finding time for self, parents, and partners. Families also learn to manage day to day dilemmas and periodic crises that are likely to occur.
- ◆ **Family F.O.C.U.S Program is hosting an information fair for families of the child/adolescent unit. Please come out and hear about our clinical programs and information on the services that are available at Fairmount as well as services and support systems in your communities.**
